# MESSAGE GUIDE: HINSON VOTES FOR HIGH PRICES

As high prices force Iowans to choose between paying for medicine or food, or between paying utilities and going to the doctor, Rep. Ashley Hinson proves time and time again that she won't stand up for everyday Iowans.

Not only does she consistently oppose major packages driven by President Biden to help fund our communities and support a post-COVID economy, Rep. Hinson recently betrayed Iowans by voting "no" on legislation that would put a monthly cap on insulin costs, a medicine that hundreds of thousands of Iowans rely on and that dominates the household budgets of diabetic patients.

## SAMPLE MESSAGE: SMALL BUSINESS

<p>Small businesses are the backbone of our economy. They provide good jobs in our communities.</p> <p>But today, small businesses are struggling thanks to Rep. Ashley Hinson. She prioritizes greedy corporations over Iowa families. On Hinson's watch, wealthy companies like Tyson took advantage of workers while jacking up the cost of food. She lets the super rich get away with price gouging us. It increases the costs small businesses face, and the amount we spend at their shops.</p> <p>Without our small businesses, Iowa wouldn't be Iowa. We can't let Hinson and wealthy companies price gouge them out of existence.</p>	<p><b>Shared Value</b></p> <p><b>Define the opposition, Tie to current events</b></p> <p><b>Call to action, outcomes we can achieve</b></p>

## SAMPLE MESSAGE: COMMUNITY CUTS

<p>Iowans support growing and caring for our communities. That's why we pay our taxes to support roads, schools, and public safety</p> <p>But our towns still don't have enough because Rep. Ashley Hinson prioritizes wealthy corporations over us. It's drying up our wallets and communities. Even when she has the chance to invest in our communities, she votes no and calls it a handout. She doesn't support Iowans. Hinson's only looking out for the rich executives donating to her campaign war chest.</p> <p>We can't survive like this. We need leaders who will support working families and make wealthy corporations pay what they owe.</p>	<p><b>Shared Value</b></p> <p><b>Define the opposition, Tie to current events</b></p> <p><b>Call to action, outcomes we can achieve</b></p>

## SAMPLE MESSAGE: RIGGED RULES

<p>Iowans work hard, but things are rough right now. It's hard to take care of ourselves, let alone each other.</p> <p>Life is already expensive, what with housing, childcare and healthcare. Now groceries, kids toys and household supplies are out of control. We're trying to keep up, but wealthy executives like Jeff Bezos keep increasing prices. They push us around and rig the rules because Rep. Ashley Hinson lets them. Hinson could reign them in, but their huge windfalls donate to her campaign war chest.</p> <p>We need leaders who will keep corporate greed in check and help working families get ahead.</p>	<p><b>Shared Value</b></p> <p><b>Define the opposition, Tie to current events</b></p> <p><b>Call to action, outcomes we can achieve</b></p>

## SAMPLE MESSAGE: LABOR UNIONS

<p>Iowa workers don't ask for much, but know fairness and respect are the least you can do to repay hard work.</p> <p>Sadly, politicians like Rep. Ashley Hinson are letting wealthy corporations walk all over us. Greedy CEOs are making record profits thanks to the hard work of our union brothers and sisters but aren't sharing the profits. To get the pay and benefits we're owed, we keep having to protest our employers. And every time, Hinson is nowhere to be found.</p> <p>We deserve better. Iowa workers need leaders who will support them when we are in need.</p>	<p><b>Shared Value</b></p> <p><b>Define the opposition, Tie to current events</b></p> <p><b>Call to action, outcomes we can achieve</b></p>

## SAMPLE LTE

*Please use our guidance to frame your personal story and unique passion on this issue.*

I love my hometown. I moved here to raise my kids because it was safe, affordable and had its charms.

But today, the small businesses that provide those charms are struggling thanks to Rep. Ashley Hinson. She prioritizes greedy corporations over Iowa families. On Hinson's watch, wealthy companies like Tyson took advantage of workers while jacking up the cost of food. Just as we faced increased costs to feed our family, our local deli and restaurants struggled to afford meat. But Rep. Hinson cared about Tyson's bottomline, not our families, small businesses and the workers at Tyson.

Rep Hinson lets the super rich get away with price gouging us and it's increasing the costs small businesses face, and the amount we spend at their shops. Enough is enough. We need to stand up for our local small businesses that make our towns unique before Hinson let's wealthy companies like Tyson price gouge them out of existence.
